Vasant Panchami Celebrations, 2022

VISION

Harness the power of education to play a transformational role in the development of the nation. To nurture intellectual capital with a vision and purpose to create leaders of change.

MISSION

Emerge as a leading centre of academic excellence, involving research and consultancy while adopting innovative strategies of industry integration to create value-driven, responsible and future-ready professionals, entrepreneurs and innovators.

GOALS

To unleash full human potential by offering cutting-edge and comprehensive learning programs.

To promote a culture of innovation and contribute to the creation of new knowledge.

To create opportunities for industry - academia collaboration.

To facilitate industry readiness and knowledge application for effective contribution in the development of our nation.

To provide opportunities for entrepreneurship.

OUR LEADERS

SHRI NARENDRA NAHATA Chancellor Mandsaur University

Shri Narendra Nahata has been designated as the Chancellor of Mandsaur University. He was a Cabinet Minister for 10 years in the Government of Madhya Pradesh and held portfolios of Commerce and Industries, Technical Education and Manpower Planning, Rural Industries, Commercial Taxes and represented Manasa assembly constituency. He is credited to have transformed technical education of the state. He is the founder of BR Nahata Smriti Sansthan.

B.R. Nahata Smriti Sansthan has made Mandsaur its hometown, hub of professional education wherein more than 4000 students are studying.

It's his firm belief that education is one of the most crucial components of human resource development having potential for adding value to products and services, thereby improving the quality of life of people. The efforts so far have been very supportive for the recent phenomenal growth and the Socio-economic and Human Development of the nation.

He is also the founder of Smriti Nagrik Sahakari Bank, which is one of the best and biggest Urban Cooperative Banks of Madhya Pradesh.

A widely traveled person, having visited more than 20 countries. Narendra Nahata was invited by the British Government for higher education in UK. He was invited by the Government of Germany to study institutions run by them in countries of South Asia.

MR. RAHUL NAHATA

B.E.,MBA,FLMI
Executive Chairman
Mandsaur University

Mr. Rahul Nahata is a visionary and dynamic professional chieftain to serve as the Executive Chairman of Mandsaur University. He has a strategic vision and leadership quality for developing interdisciplinary education across the university. He received the United States of America Presidential award in 1992. He has a prior experience of working with renowned companies like Tata Consultancy Services and Vikram Ispat. He has stint with several organizations in various countries like U.S.A, Thailand, Hong Kong, Singapore and Germany.

He has an exemplary vision towards education to mould youngsters into Millennium Leaders not only in Technological and Scientific fields but also to nurture and strengthen the innate goodness and humane nature in them.

Vasant Panchami Celebrations, 2022

For a country as diverse as India, various festivals bring all the ethnic differences and cultural diversities under one roof of festivity and togetherness. One such festival that exudes the spirit of oneness profusely is Basant Panchami. The festival of Basant Panchami is centred on the Hindu goddess Saraswati and dominantly tints the surrounding yellow. Yellow is considered to be goddess Saraswati's favourite colour and also signifies the bloom of the mustard crop. According to Hindu mythology, the festival marks the advent of the spring season after the biting cold of winters.

The Department of Communication Skills organized Basant Panchami celebrations and Saraswati Puja in the Language Lab on 5 February 2022. Student board members of the Language & Literary Club played an active role in the celebrations. The ritual was graced with the presence of a good number of students, staff, and faculty members from various departments, like CSE, Civil, Education, DBAC, and Life sciences.

This was followed by Saraswati Puja in LT-1with staff, students, and faculty members from both campuses. Our honorable Vice-Chancellor sir, Brigadier, Dr. Bharat Singh Rawat delivered a lecture on the significance of Basant Panchami to the audience.

Mandsaur University has celebrated Basant Panchami, with the same fervor as it celebrates different other festivals. Both the faculty members and students joined hands together, with great zeal to make the event a memorable one and also evoke the blessing of the goddess of knowledge to have successful academic and career growth. The rituals were conducted by Abhay Kumar Dixit, Assistant Professor, Department of Communication Skills who not only performed the Puja but also enlightened on the concept of worshiping the goddess of knowledge. The event ended with Saraswati Vandana sung by the students and by serving prasad to everyone present there.

Theories of Personality (Allport's & Cattel's Trait Theories and Sheldon's & Jung's Type Theories)

The Faculty of Education, Mandsaur University had organized an adjunct lecture on the Topic "Theories of Personality: (Allport's & Cattel's Trait Theories and Sheldon's & Jung's Type Theories)", for B.Ed. students on 01 February 2022. The main objective of the adjunct lecture was to enlighten the attendee about various aspects and methods of personality development. Dr. Aradhana Sethi, Dean, and Head of Faculty of Education, formally welcomed and

introduced the guest to the participants. During the lecture, Dr. Aftab Ahmed Ansari thoroughly discussed various aspects of personality and different Trait & Type Theories of Personality. He also talked about various aspects of personality which are useful for the Pupil Teachers. The event concluded successfully with a vote of thanks by Dr. Ravinder Singh, Assistant Professor, Department of Education, Mandsaur University, Mandsaur.

Faculty of Education

Mental Health and Hygiene

The Faculty of Education, Mandsaur University organized an adjunct lecture, today on the Topic "Mental Health & Hygiene: (Meaning, Definitions, Features, Factors Affecting & Preventions)", for B.Ed. students on 07 February 2022. The main objective of the adjunct lecture was to enlighten the attendee about various aspects of Mental Health & Hygiene. Dr. Aradhana Sethi, Dean, and Head of Faculty of Education, formally welcomed and introduced the guest to the participants. During the lecture, Dr. Kavita Batra discussed the effect of Mental Health and Hygiene, and how they can keep themselves Mentally Healthy. She also talked about various aspects of the lecture was to identify/ recognize different aspects of Mental Health and Hygiene, and how they can keep themselves mentally healthy.

She has brought awareness through interaction with a range of student-teachers on how to decrease the disturbing mental health, which is most important for

the Pupil Teachers of the new normal classroom environment, that how they (Pupil Teachers) can recognize/identify different types of Mental Health and Hygiene, which are useful for the Pupil Teachers. The event concluded successfully with a vote of thanks by Dr. Ravinder Singh, Assistant Professor, Department of Education, Mandsaur University.

Current trends in Internet of Things – IoT

Department of Electrical and Electronics Engineering organized Online Three days National Webinar for the Students and Faculty members of all streams on the topic "Current trends in Internet of Things –IoT" from 24-26 February 2022. Out of 260 registered participant 101 participated in Workshop from various states Telangana, Tamilnadu, Rajasthan, Odisha, Gujrat, Karnataka, Maharashtra, Punjab, Andhra Pradesh and Madhya Pradesh.

The primary objective of this workshop was to aware about the current trends in IoT and its application. IOT is important topic in technology industry, policy and engineering circles. Speakers told that IoT has stepped out of its infancy and is on the verge of transforming the current static Internet into a fully integrated Future Internet. One of speaker told that a radical evolution of the current Internet into a network of interconnected objects that not only harvests information from the sensing and interacts with the physical world (actuation/command/control) but also uses existing Internet standards to provide services for information transfer, analytics, applications, and communications.

Session-1 IoT in Industrial Automation conducted by Er. Bhawani Singh, Speaker shown his own IOT projects implements in the industries.

Session-2 Recent Advances and Application of IoT in photovoltaic system were conducted by Dr. Gitanjali

Mehta. She focuses the application of IoT in photovoltaic systems implementation.

Session-3 IoT Applications in advanced Electrical Technology. Dr. Sanjeev Jain demonstrates the concept of smart city implementation using IoT and Various applications in solar energy.

Session-4 & 5 was current security trends in IoT was Conducted by Dr. Supriya Goel. Speaker focused on the role of security in IoT and how the data security may be organized through various applications and methods.

The program continued in Google meet platform during the session. The feedback form was shared and received positive feedback from all the participants. The Convener Dr. Manish Jain presents the welcome note and valedictory session was conducted by Mr. Siddheswar Kar. The vote of thanks conveyed by Mr. Virendra Jain HOD EEE.

An Electrical Engineer with theoretical knowledge is not a complete engineer, practical knowledge is much important to develop and apply engineering skills. Electrical & Electronics Engineering Department of Mandsaur University had organized Gandhi Sagar Hydroelectric Power Station, Mandsaur (M.P.) on 15th February 2022. A total of 15 students and 2 faculties from the department visited the Power station.

The purpose of this Industrial visit was to provide an exceptional prospect for all the students to interact and know more about Power generating station environment. The objective was to help the students to create a practical outlook on the field of power production and transmission.

Mr. Purushottam Gupta, SE Plant, explained the full working cycle of electrical power production from water storage, working of turbine and generator, electricity generation, and transmission. Students visited several sections (turbine, generator, Control rooms, Transformers, Bus-bars, CT, PT, Circuit Breakers, relay, Lightning Arresters, Wave Trap and outgoing supply system, etc.) and other necessary instruments in the power plant. It was an informative, interesting, and successful industrial visit for the students of Electrical Engineering and Diploma courses.

Pre-Budget Discussion and Live Telecast of Budget 2022-23

Faculty of Business Administration and Commerce organized a session on Pre-Budget Discussion on 1st February 2022. The key purpose behind the session was to make the students aware of the budget-related aspects like fiscal deficits, debt to GDP ratio, FRBM guidelines, taxation, budget allocation among various sectors of the economy, etc.

The Session started at 10.15 am through virtual mode on the Google Meet platform. Dr. Azhar Ahmed Sheikh started the session with the welcome of guests and Dr. Deepak Bhandari (Dean & Head-Mgmt, FBAC) explained the importance of budget for management and commerce students. Dr. Mukesh Sharma delivered a session on various sectors of budget, how to understand the union budget. Dr. Sharma also highlighted the different dimensions of the budget such as Fiscal Deficit, GDP, Debt to GDP Ratio,

Economic Growth, FRBM Guidelines, Finance commission recommendations, etc. This was followed by a live telecast of the budget at 11 AM by Hon'ble Finance Minister, Govt. of India. At the end of the session, a question-answer session was kept for students.

Commodity Awareness Program

The Faculty of Business Administration and Commerce organized a virtual session on Awareness of Commodity Derivatives on 22nd February 2022 under the banner MCX India. The key purpose behind this session was to make the students aware of the commodity market basics and products along with the knowledge of derivatives and options. The Session started at 11.00 am through virtual mode on the Google Meet platform. Mr. Avinash Vikram welcomes the keynote speaker Mr. Vinit Singh Kaler. Mr. Vinit highlighted the basics of the commodity market and also discussed recent changes like a universal exchange, option trading in the commodity market, launching of gold trading by NSE and BSE, etc. He also presented the live MCX screen for the understanding of fluctuations in the prices of commodities and explained the various contracts and lot-sized of

various metals and agri-commodities. The whole session was interactive and students took participated by raising queries. At the end of the session, Mrs. Sonakshi Agrawal proposed a vote of thanks.

Post-Budget Analysis 2022-23

Faculty of Business Administration and Commerce organized a session on Post-Budget Analysis on February 15, 2022, which was emphasized on critical analysis of various aspects of Union Budget 2022-23 like fiscal deficits, debt to GDP ratio, FRBM guidelines, taxation, budget allocation among various sectors of the economy, etc.

The program was started at 10:45 AM and at first, the theme of the program was abridged by Dr. Azhar A. Sheikh who enlightens the student's basic moto of the program. He also highlighted the different phases of the program viz. expert talk, rapid-fire quiz round, and panel discussion. In the first phase at first CA, Sidharth Garg interacted with students on the variety of aspects of taxation from the budget. Thereafter Dr. Deepika Choudhary welcomed the keynote speakers Shri Dhananjay Sinha and Shri Amit Goela. Shri Sinha discussed the economic aspects of the union budget and provided his critical analysis of the budget from an economics perspective whereas Shri Goela enlightened the students with the relationship between union budget and the stock market. In the end, keynote speakers answered the queries asked by the students. Then Hon'ble Vice-Chancellor Prof. (Dr.) B.S. Rawat extended his vote of thanks to the keynote speakers.

The rapid-fire quiz round was conducted by Mr. Ruben Shah in which students were asked questions related to the budget and economics. In the last phase of the program, a panel discussion was organized and moderated by Dr. Mukesh Sharma, in which nine students from the department were the panelist. The panelist discussed the important announcements from Union Budget 2022-23 like PM Gati Shakti, Taxation, E-Passport, Digital Currency, and Organic farming, Economic Indicators, and SWOT analysis. Panelist provided the critical analysis of budget 2022-23.

At last, the presidential address was given by the Hon'ble Chancellor Shri Narendra Nahata, in which he praised the student's efforts and initiatives of the department and also suggested analyzing the various companies with fundamental and technical analysis. A formal vote of thanks was delivered by Mr. Avinash Vikram at the end of the program.

Socio-economic Development in the Country

The Faculty of Business Administration and Commerce organized a round table conference organized in association with Lomonosov Moscow State University on 23nd February 2022 under the banner "AZADI KA AMRIT MAHOTSAV".

The key purpose behind the conference was to have an open discussion on the socioeconomic development in the country. The Session started at 02.30 pm through virtual mode on the Google Meet platform. Dr. Deepika Choudhary started the conference by introducing the conference topic. Our honorable Dean Academic sir addressed the session and welcomed the keynote speaker and all the faculty members and students. At 3.00 Dr. Deepika Choudhary introduced all the speaker panel members to the faculty and students present. The conference was started with our first speaker Dr. BK Sthapak, Sir highlighted the basics and detailed history of the socio-economic position of India, he discusses the economic history of India by giving facts and figures of the Indian economy. Then he was open for the questions and answer session. At 3.40 Prof. Olga Leonova, our second speaker of the event gave a speech and presentation on the topic 'The Lessons of the Pandemic for a country', after the speaker presentation she was open for question-andanswer round. At 4.10 Dr. Aswathy Menon presented her presentation on socioeconomic development. She spoke about the 5-year plan and 20-point program after her presentation she was ready for question-and-answer round. The whole session was interactive and students and faculty took participated by raising queries. At the end of the session, Dr. Deepika Choudhary proposed a vote of thanks.

Faculty of Business Administration & Commerce organized a live session on "Overview of Global Economy and The Indian Perspective" by Shri. Raj Bhatt Vice- Chairman and CEO of Elara Capital, UK, on 10th February 2022 from 5 PM onwards. The program started at 5.00 pm by welcoming and introducing the keynote speaker of the evening Dr. Deepika Choudhary. At 5.10 pm, our honorable Vice-chancellor sir addressed the session and welcomed the keynote speaker and all the faculty members and students. At 5.15 PM, the keynote speaker Mr. Raj Bhatt discussed

and explained the Global Economy and its Indian perspective, further at 5.45 PM were followed by the question-and-answer round which was open for all.

The whole program was coordinated by Assistant Professor Dr. Deepika Choudhary and Mr. Avinash Vikram, Assistant Professor from the Faculty of Business Administration and Commerce. The program ended with a vote of thanks by Prof. (Dr.) Deepak Bhandari. During the live session, departmental faculty members were also present.

Department of Journalism and Mass Communication

Webinar on Anchoring Skills and Techniques

Department of Journalism and Mass Communication, Mandsaur University organized a webinar on 28 February 2022 on the topic "Anchoring Skills and Techniques". Mr. Tushar Kaushik, Senior Anchor, INDIA NEWS was present as the keynote speaker. Also, as the guest speaker of the program, Dr. Tarakeshwara Rao Ippili, Head, Dept. of JMC, Mandsaur University was presented. The webinar aimed to make students aware of TV News anchoring skills & Techniques.

The program was started by Mr. Arun Jaiswal, Assistant Professor, Dept. of JMC, with the introduction of Digital Media/New Media. Mr. Tushar Kaushik delivered his lecture on anchoring skills and techniques to webinar participants. He said that starting a channel on a digital platform is easy as well as challenging. Nowadays, the trend of anchoring has changed, the anchor is not only responsible for presenting the news, but he is also responsible for the maintenance of the industry and the country. Everyone has a chance to become a TV anchor. Why because, digital platforms are more active and popular than television. After this,

Dr. Tarakeshwara Rao Ipilli, who was present as a guest speaker, spoke about the current scenario of News presentation in Media.

At the last stop of the program, Mr. Arun Jaiswal thanked all the guests and participants. During the session, all the faculty members & students of the Mass Communication department, participants from many other states of the country were presented. A total of more than 100 participants had registered for this program.

Know your Intellectual Property Rights and protect them

IPR Cell, Mandsaur University had organized a webinar entitled "KNOW YOUR INTELLECTUAL PROPERTY RIGHTS AND PROTECT THEM" for UG, PG students, Research scholars & faculty members of Mandsaur University on 25 February 2022. The webinar aimed to provide awareness among students about intellectual property rights. A total of 616 candidates registered in the webinar. Dr. Bharat Singh Rawat, Hon'ble Vice-Chancellor, Mandsaur University, Mandsaur (M.P.) deliver a welcome address and highlighted the importance of intellectual property rights and motivates the UG, PG students, Research scholars & faculty members of Mandsaur University. The keynote

speaker of the event, Mr. Arpit Jain, Examiner of Patents & Design, Patent Office, Mumbai, DPIIT, Ministry of Commerce and Industry, Govt of India delivered the webinar on IPR Rights including Patents, Copyrights, Trademarks, Trade secrets, etc. He also explained about importance and how to file the IPR rights. The event was successfully coordinated by Prof. (Dr.) Arunava Das, Dean & Head, Faculty of Life Sciences & Coordinator IPR Cell. Warm thanks were conveyed to Hon'ble VC sir, keynote speaker, all departmental coordinators for organizing and smooth conduction event for our students in Mandsaur University.

Molecular Detection of Plant Viruses Using Polymerase Chain Reaction

(PCR) (MDPVP-2022)

Faculty of Life Sciences, Mandsaur University had organized a two-days online national workshop entitled "Molecular Detection of Plant viruses using Polymerase Chain Reaction (PCR) (MDPVP-2022)" for UG, PG students & Research scholars of Mandsaur university and different universities of India from 18th February – 19th February 2022. The workshop aimed to provide awareness among students about biological indexing and the detection of plant viruses using polymerase chain reactions. A total of 58 candidates

had participated in the workshop from different parts of India. The event was successfully coordinated by Dr. Ashish Warghane, Associate Professor & Ms. Kavia V, Assistant Professors, Faculty of Life Sciences, Mandsaur University. Prof. (Dr.) Arunava Das, Dean & Head, Faculty of Life Sciences, Mandsaur University conveyed thanks to the coordinators for organizing this program for our Life Science students and also for the other university students.

Quiz competition on National Science Day 2022

National Science Day is celebrated every year on February 28 to mark and recognize the contributions of scientists towards the development of the country. On this day, in 1928, Indian Physicist Chandrasekhara Venkata Raman made an important discovery in the field of spectroscopy, which was later named after him – the Raman Effect. For his work, CV Raman was awarded the prestigious Nobel Prize in Physics in 1930. The Faculty of Agriculture Sciences had organized a Quiz competition on National Science Day on 28th February 2022 (11.00 am – 4.00 pm) to raise awareness of the importance of science.

The topic of the quiz was facts of Sciences and the relevant question paper was set to check the basic knowledge of students about Science facts. The quiz consisted of ten questions, all carried one mark each. More than 140 students from UG and PG participated in the quiz organized by the Faculty of Agriculture Sciences, Mandsaur University, Mandsaur. Ecertificates were provided to all the students who participated and scored more than 50% marks in the quiz.

DELNET Networked recourses and Services

The Faculty of Library and Information Science, Mandsaur University had organized a Webinar on "DELNET Networked recourses and Services" for all central library user communities on 23Feburay, 2022. The opening session was addressed by Dr. Sangeeta Kaul, Director of Developing Library Network, who declared the Webinar officially Start at the end of her statement. Dr. Bharat Singh Rawat, Vice-Chancellor of Mandsaur University delivered a speech and was followed by Dr. Ravindra Kumar Assistant Professor and Head of Department Library and Information science Mandsaur University sharing his experience with DELNET. The opening session of the webinar concluded with thanks to the organizing team of the webinar.

The keynote speech is delivered by Dr. Kaul devoted to the stated access of information sources and services from DELNET from the point of view of practical experience and search. Practical insight to the Information discovery task was discussed. The following topics will be covered: The webinar ends with a question answers session. Dr. Kaul solved and suggests the solutions to the queries of the participant. The main objective of the Webinar was to how to use resources and services effectively.

Webinar on Interoperable IoT

Department of CSE/CSA Mandsaur University, Mandsaur had organized a webinar on "Interoperable IOT" for faculty members and students of CSE/CSA. Mudita Dave Nagar introduced the speaker, Mr. Wieslaw Pawlowski, University of Gdansk delivered a session. Wieslaw Pawlowski started his session to first introduce his country and Gdansk University Poland, and then he moved further to explain IOT Domain. Mr. Pawlowski explained how data needs to be expressed in a meaningful way using ontology and parameters of interoperability solutions using modularity. Mr. Pawlowski very well explained the generic ontology of the IoT platform. He had also discussed the Inter Platform Semantic Mediator (IPSM) tool to develop IoT

projects. At the end of the program, Dr. Nilesh Jain delivered a vote of thanks. The whole program was arranged and coordinated by Dr. Pradeep Laxkar.

नारी ओर समाज

इस मुद्दे पर एकांत में विचार किया जाए, तो मन में एक सवाल जन्म लेता है कि आखिर ऐसी क्या दिक्कत थी, जो अंतरराष्ट्रीय स्तर पर महिलाओं को सम्मान देने के लिए एक दिन की घोषणा करनी पड़ी? क्या इसका उद्देश्य शुरुआत से ही केवल महिलाओं को सम्मान देना था, या उन्होंने अपनी परेशानियों से तंग आकार आक्रोश में इस दिन को मनाना शुरू किया? क्या भारत की ही तरह संपूर्ण विश्व में भी महिलाओं को अपने अधिकार अपने सम्मान को पाने के लिए चुनौतियों का सामना करना पड़ा? हर वर्ष महिला दिवस आता है व हम सब मिलकर उसे बहुत अच्छे प्रकार से मनाते भी है। उस दिन नारी के मान की बातें होती हैं, उनके सम्मान की बातें होती हैं। परंतु कटू सत्य तो यह है कि यह सभी बातें केवल 1 दिन तक ही सीमित होती है या कुछ क्षण भर तक ही जब तक समारोह समाप्त न हो जाए। मुझे यह बताते हुए अत्यंत गर्व हो रहा है कि महिलाओं ने हर क्षेत्र में तरक्की की है। परंत् मेरा प्रश्न यह है कि क्या हमारे समाज ने नारियों के प्रति अपनी सोच में तरक्की की है? एक राष्ट्र में एक महिला की विशेष भूमिका होती है. महिलाओं को आज का पुरुषप्रधान समाज कमजोर समझ रहा है. जिस कारण महिलाओं को पर्याप्त अवसर नहीं मिल पाते हैं। कहने को तो हम आज 21वीं सदी में रह रहे हैं परंत् हमारा समाज आज भी महिलाओं को पुरुषों की तुलना में कम समझता है। आज भी दनिया में कई हिस्से ऐसे है, जहां महिलाओं को समानता का अधिकार उपलब्ध नहीं है। नौकरी में जहां महिलाओं को पदोन्नति में बाधाओं का सामना करना पडता है, वहीं स्वरोजगार के क्षेत्र में महिलाए आज भी पिछड़ी हुई हैं।

कई देशों में अब भी महिलाएं शिक्षा और स्वास्थ्य की दृष्टि से पिछड़ी हुई हैं। इसके अलावा महिलाओं के प्रति हिंसा के मामले भी अब भी देखे जा सकते हैं। राजनीतिक परिप्रेक्ष्य में अब भी महिलाओं की संख्या पुरुषों से कई पीछे हैं और महिलाओं का आर्थिक स्तर भी पिछड़ा हुआ है। हमें यह समझने की आवश्यकता है कि महिला व पुरुष दोनों समाज रूपी गाड़ी के दो पहिए हैं अर्थात दोनों का महत्व समान है यदि दोनों में से कोई एक भी पीछे रह जाए तो

समाज का संतुलन बिगड़ जाएगा क्योंकि दोनों ही महत्वपूर्ण भूमिका निभा रहे हैं। समाज निर्माण में जितना योगदान पुरुषों का होता है उतना ही योगदान स्त्री का भी परन्तु जिस प्रकार का सम्मान प्रुषों को समाज में मिलता है उतना स्त्री को नहीं मिल पाता है, इसका प्रमुख कारण है समाज की संकीर्ण मानसिकता। वहीं देवी अहिल्याबाई होलकर, मदर टेरेसा, इला भट्ट, महादेवी वर्मा, राजकुमारी अमृत कौर, अरुणा आसफ अली, सुचेता कृपलानी और कस्तुरबा गांधी आदि जैसी कुछ प्रसिद्ध महिलाओं ने अपने मन-वचन व कर्म से समाज में बदलाव लाया, उनकी स्थिति में सुधार लाया और जग-संसार में अपना नाम रोशन किया है। कस्तूरबा गांधी ने महात्मा गांधी का बायां हाथ बनकर उनके कंधे से कंधा मिलाकर देश को आज़ाद करवाने में महत्वपूर्ण भूमिका निभाई है। आज भी यदि एक नारी अपने हक की बात करें तो उसे ही गलत ठहराया जाता है या च्प करा दिया जाता है। आज भी जब कुछ गलत होता है तो समाज नारियों से प्रश्न करता है। आज भी नारियां अपनी इच्छानुसार कुछ नहीं कर सकती और यदि हिम्मत जुटा कर कुछ करने की सोचती भी है तो उनके इरादों को मजबूत करने की जगह कमजोर किया जाता है। आज भी हमारे देश में चार लाख से ज्यादा घरेलू हिंसा के मामले हैं परंतू यदि यह महिलाएं स्वतंत्र रूप से जीना चाहे तो समाज उन्हें जीने नहीं देता। आज भी नारियों का दहेज के नाम पर सौदा होता है और मज़े की बात यह है कि तब यह समाज चूप्पी धारण कर लेता है। नारियों को पराया धन व एक खिलौना समझा जाता है परंतु नारी एक खिलौना नहीं बल्कि वह गहना है जिससे हमारा जीवन सुशोभित हो उठता है। आज जो औरत की हालत है वो किसी से नहीं छिपी है और ये हाल केवल भारत का नहीं, पूरे द्निया का है. जहाँ नारी को उसका ओहदा नहीं मिला है. एक दिन उसके नाम कर देने से कर्तव्य पूरा नहीं होता, महिलाएं तरक्की पर है परंतु समाज को भी नारियों के प्रति अपनी सोच में तरक्की करनी होगी तभी सही मायने में हमारा महिला -नेहा नाजवानी दिवस मनाना सफल होगा।

विभाग:- डी.बी.ए.सी मन्दसौर विश्वविद्यालय

सेवा परमार्थ भवदीय पथ, सहायता सबसे बड़ी सेवा है

(World NGO Day)

साथी हाथ बढ़ाना एक अकेला थक जाएगा मिलकर बोझ उठाना ...साहिर लुधियानवी की इस कविता की इन पंक्तियों को वैसे तो हम अपने जानने पहचानने वालों के लिए प्रयोग करते हैं यानि की हम उनकी सहायता करते हैं लेकिन क्या आप राह चलते किसी की मदद करते हैं? क्या आप ऐसे लोगों की मदद करते हैं जो भूखे सोने को बेबस हैं या आप ऐसे लोगों की सहायता करते हैं जिनके बच्चों को शिक्षा नहीं मिल पा रही है? आपका जवाब होगा शायद नहीं... लेकिन कविता की इन पंक्तियों को साकार करने के लिए दुनियाभर में ऐसे कई संगठन कार्यरत है जो सेवा और सहायता के लिए बने हुए हैं। जिन्हें हम NGO यानी non government organization कहते हैं जिसका हिन्दी अर्थ होता है गैर सरकारी संगठन जो मददगारों का एक समूह होता है।

27 फ़रवरी के दिन वर्ल्ड NGO डे यानि विश्व NGO दिवस के रूप में मनाया जाता है अब क्यूं मनाया जाता है, एनजीओ क्या होते हैं और एनजीओ कैसे काम करते हैं यह सब जानते हैं। मीडिया रिपोर्ट्स के अनुसार ब्रिटिश मानवतावादी मार्किस लिओर्स स्काड्मानिस ने प्रतिष्ठित किया था इस दिवस को।

बाल्टिक सागर के राज्यों की काउंसिल के, बाल्टिक सागर एनजीओ फोरम द्वारा, 17 अप्रैल 2010 को आधिकारिक रूप से मान्यता दी गयी थी। बाल्टिक सागर के एनजीओ फोरम के सदस्य राष्ट्र, बेलारूस, डेनमार्क, एस्टोनिया, फिनलैंड, जर्मनी, आइसलैंड, लटविया, लिथूनिया, पोलैंड, रूस, नॉर्वे और स्वीडन थे। 27 फरवरी 2014 को इस दिन को पहली बार मनाया गया था। इसका आयोजन फिनलैंड की राजधानी हेलसिंकी में किया गया था।

जिसकी मेजबानी फिनलैंड के विदेश मंत्रालय द्वारा की गई थी। इस दिवस को वर्ष 2010 से 2018 के बीच 89 देशों और छह महाद्वीपों में पहचान मिली थी।

विश्व एनजीओ दिवस मनाने का उद्देश्य लोगों को एनजीओ के महत्त्व को समझाना और विश्व भर के एनजीओ में काम करने वाले उन लोगों को प्रोत्साहित करना है जो लोगों और जीवों के हित के लिए कार्य कर रहे हैं। ये दिन एनजीओ संस्थापकों, कर्मचारियों, सदस्यों, समर्थकों और स्वयं सेवियों को सम्मानित करने का अवसर भी प्रदान करता है। साथ ही अन्य लोगों को एनजीओ से जुड़ने और ज़रूरतमंद लोगों एवं जीवों की मदद करने के लिए भी प्रेरित करता है। एक-दूसरे के साथ एनजीओ से जुड़े ज्ञान और अनुभव को साझा करने के लिए भी ये दिन मनाया जाता है।

एनजीओ से जुड़े लोग दिन-रात मेहनत कर जरूरतमंदों की मदद करते हैं। इसके लिए वे कोई शुल्क नहीं लेते हैं। हालांकि, सरकार द्वारा आर्थिक सहायता दी जाती है। भारत में एनजीओ का विशेष महत्त्व है। भारत में गैर सरकारी संगठन दूर इलाके में बच्चों की पढ़ाई, पालन-पोषण इन सब चीजों के लिए कार्यरत हैं। ऐसा माना जाता है कि जहाँ सरकार नहीं पहुँच पाती है वहाँ गैर सरकारी संगठन के जिरए सरकार पहुँचने की कोशिश करती है। सरकार एनजीओ को प्रोत्साहित करने के लिए समय-समय पर सम्मानित भी करती है।
