Author(s) and Year	Research and Findings
Kaur & Singh (2015)	<p>Attempt to study the recent trends in Financial Inclusion with special reference to Pradhan Mantri Jan Dhan Yojana.</p> <p>Study revealed that till 31-12-2014 819.09 lakhs account has been opened (496.97 from rural and 332.13 from Urban areas of country).</p> <p>Study suggests that PMJDY will be a milestone for promoting Financial Inclusion.</p>
Kumar (2014)	<p>Analyzed the current Financial Inclusion position in India</p> <p>Result Indicated that banks are playing key role in promoting Financial Inclusion by increasing numbers of branches and extending banking services widely.</p> <p>Study suggests that government should establish business correspondents and agents in rural areas of country</p>

Research Gaps

The background of the slide features abstract, overlapping green geometric shapes, primarily triangles and polygons, in various shades of green, creating a modern and dynamic visual effect.

Objectives of the Study

The background of the slide features abstract, overlapping green geometric shapes, primarily triangles and polygons, in various shades of green, creating a modern and dynamic visual effect.

Hypothesis

Hypotheses Results

Hypotheses	Inference

Research Methodology

The background of the slide features abstract, overlapping green geometric shapes, primarily triangles and polygons, in various shades of green, creating a modern and dynamic visual effect.

Experimental Data/Data Analysis and Interpretations

Result and Discussion/ Findings, Conclusions and Suggestions of the study.

CONCLUSION

Scope for Further Research.
